"Our Headquarters are in the Streets"

Our Mission:

Our headquarters are in the streets, where we offer free haircuts, hot meals, and essential hygiene products to the homeless and those in need. Our mission is to spread the gospel and build relationships by sharing our stories and hearing yours. We believe in meeting people where they are, offering the love and hope found in Jesus Christ. Our goal is to walk with you on the path to transformation, empowering you to embrace a second chance at life.

Our vision:

Is to create a world where every individual, regardless of their circumstances, feels valued and transformed through compassionate connection, restored dignity, and the love of Jesus Christ.
